 - viii. Gross – GRST 633 – Will now be charged FICA (social security) – 5.65% about \$90mo
 1. Graves – we didn't realize this would be the case – you will no longer be considered a student and exemption from FICA will disappear; Dean Holger has said by early this fall we will have a plan in place to take care of this by next summer; different colleges are looking at different ways to cover this (eg, a small summer raise to cover this)
 - ix. Woolcock – this arises because we are getting no credit – couldn't we get research credit for the class

- xvi. Kemmet – Graduation ceremony
 - 1. Registrar's office is in charge of graduation ceremony; rising concern with the number of students at graduation at CY Stephens; guests were limited to 6; if you can reasonably limit guests to 6, that would be appreciated, there will be no enforcement; it was a friendly request; there won't be any ticketing; we don't know happens if they meet capacity; ask our guests to sit close together – don't create a lot of single, empty seats
