

SENATE BILL S03-08
June 2, 2003

TITLE: Addendum to the GPSS Spring 2003 Allocations

WHEREAS: The GPSS Allocations Committee has considered Spring 2003 allocations requests from Graduate and Professional Student Organizations and transmitted its recommendations to the Executive Council, and

WHEREAS: The Graduate Research in Evolutionary Biology and Ecology (GREBE) organization met the allocation requirements but was not included in the previous allocations approved as Senate Bill S03-06, be it therefore

ENACTED: That the Graduate Research in Evolutionary Biology and Ecology (GREBE) Graduate and Professional Student Organization be allocated \$400.
